This Current Report on Form 8-K contains statements relating to our future results (including certain projections and business trends) that are considered “forward-looking statements” as defined in the Private Securities Litigation Reform Act of 1995 (the “**PSLRA**”). Such forward-looking statements may be identified by the use of such words as “believe,” “expect,” “anticipate,” “should,” “planned,” “estimated,” “intend” and “potential.” For these statements, we claim the protection of the safe harbor for forward-looking statements contained in the PSLRA.

Our businesses and operations are and will be subject to a variety of risks, uncertainties and other factors. Consequently, actual results and experience may materially differ from those contained in any forward-looking statements. Such risks, uncertainties and other factors that could cause actual results and experience to differ from those projected include, but are not limited to, the risk factors set forth in this prospectus supplement and in our Annual Report on Form 10-K for the year ended December 31, 2013:

- the condition of the general business and economic environment;
 - the results of our most recent internal credit stress test may not accurately predict the impact on our financial condition if the economy were to continue to deteriorate;

 - our ability to raise capital as may be necessary;
 - our ability to maintain liquidity or access other sources of funding;
 - changes in the cost and availability of funding;
 - the success of the local economies in which we operate;
 - our residential and commercial construction and development loans and commercial real estate loans are subject to unique risks that could adversely affect our earnings;
-

- changes in prevailing interest rates may negatively affect our net income and the value of our assets;
- our accounting and reporting policies;
- if our allowance for loan losses is not sufficient to cover actual loan losses;
- losses due to fraudulent and negligent conduct of our loan customers, third party service providers or employees;
- competition from financial institutions and other financial service providers;
- risks with respect to future expansion and acquisitions;
- changes in laws and regulations or failures to comply with such laws and regulations;
- changes in regulatory capital requirements;
- our ability to fully realize our deferred tax asset balances;
- changes in tax laws, regulations and interpretations or challenges to our income tax provision;
- risks with respect to system failure or cybersecurity breaches of our network security;
- our lack of geographic diversification;
- risks with respect to our interest-only home equity lines of credit; and
- our reliance on third parties to provide key components of our business infrastructure.

Additionally, the timing and occurrence or non-occurrence of events may be subject to circumstances beyond our control. Investors in our common stock are cautioned not to place undue reliance on these forward-looking statements, which are made as of the date of this prospectus supplement. Except as may be required by applicable law or regulation, we assume no obligation to update the forward-looking statements or to update the reasons why actual results could differ from those projected in the forward-looking statements.
