United Community Banks, Inc. Reports Fourth Quarter Results

EPS of \$0.61, Return on Assets of 1.50% and Return on Equity of 12.07%

GREENVILLE, SC - January 21, 2020

United Community Banks, Inc. (NASDAQ: UCBI) (“United”) today announced its fourth quarter financial results, including strong year-over-year loan and deposit growth, operating efficiency and asset quality. Diluted earnings per share were \$0.61, an increase of \$0.05 or 9% from a year ago. Excluding a nominal amount of merger-related and other charges, diluted operating earnings per share were also \$0.61, up 7% over last year. United’s return on assets was 1.50% and its return on common equity was 12.1% for the quarter. On an operating basis, United’s return on assets was also 1.50% and its return on tangible common equity was 15.5%.

During the quarter, the company sold its remaining investment in its indirect auto portfolio, completing its exit from that business. Excluding indirect auto, loans grew at a 2% annualized rate in the fourth quarter. United's net interest margin decreased as expected due to falling interest rates. Other items that impacted the net interest margin included seasonally higher average public deposits invested at lower yielding overnight rates and lower purchased

loan accretion when compared to previous quarters. Core transaction deposits remained stable and total deposits grew by \$140 million.

For the full year of 2019, United's return on assets increased 11 basis points to 1.46% and EPS increased by 12%. Operating return on assets increased 11 basis points to 1.51% and operating EPS increased 11%, as the company continued to execute on its plans to deliver top quartile performance. 2019 saw strong operating leverage, resulting in a company best efficiency ratio of 55.8% and an operating efficiency ratio of 54.5%.

“Our fourth quarter caps off what has been an outstanding year for United. Our team continued delivering best in class customer service, which has led to the achievement of our top quartile performance goals,” said Lynn Harton, Chairman and CEO of United. “We are proud and honored that United was named one of the ‘Best Banks to Work For’ by American Banker for the third year in a row, as well as one of the ‘World’s Best Banks in 2019’ by Forbes. These accolades are totally due to the passion and caring of our 2,341 employees and their efforts to build a great company where they can develop fulfilling careers, reach ambitious financial goals and serve United's customers and communities at the highest level.
