**UNITED COMMUNITY BANKS, INC. ANNOUNCES THE
FILING OF TWO REGISTRATION STATEMENTS**

BLAIRSVILLE, GA – April 16, 2012 – United Community Banks, Inc. (NASDAQ: UCBI) (“United”) today announced that it has filed a universal shelf registration statement on Form S-3 with the Securities and Exchange Commission (the “SEC”). When declared effective by the SEC, the shelf registration statement will permit United, from time to time, to offer and sell up to an aggregate of \$300 million in debt and equity securities. The specific terms and prices will be determined at the time of each offering under a separate prospectus supplement, which will be filed with the SEC at the time of the offering. The shelf registration statement replaces United’s prior \$300 million universal shelf registration statement that is no longer effective.

“Although we have no current plans to issue securities at this time, it is our longstanding practice to maintain an effective and up-to-date universal shelf registration statement to ensure flexibility should the need arise,” stated Jimmy Tallent, United’s president and chief executive officer.

“Additionally, we have filed a registration statement on Form S-3 with the SEC for the potential resale of the Treasury’s \$180 million of United’s preferred stock and the related warrant to purchase common stock of United,” commented Tallent. “The filing today replaces United’s prior resale registration statement that is no longer effective. As part of our participation in Treasury’s Troubled Asset Relief Capital Purchase Program, we are required to maintain an effective resale registration statement with respect to the securities currently held by Treasury.”

This press release is neither an offer to purchase, nor a solicitation to buy, any securities of United. A prospectus supplement will describe the terms of any particular offering made under either registration statement.
